DREAMS CAN COME TRUE

"When I joined Passion Parties I never dreamed it would lead me to the end of being someone else's overworked and underpaid employee. I only joined to make some extra money and help keep food on the table but after six months I was on my way to living a life I never thought was possible. I was being transformed into a successful business owner. We were able to purchase our dream home, reliable cars and spend more family time together. I was able to give my children the security they deserved. Most importantly, Passion Parties has given me lifelong friendships, the ability to empower women and I have been transformed from being a very shy and insecure person into a strong, confident business woman. I know, because of Passion Parties, I am in charge of my future!"

"I started Passion Parties thinking I would just do a few parties. I was busy with three teens at home, working hard as a manicurist and wasn't sure what my future held. What I didn't know was that I was coachable and could change my thinking to become a confident leader that could share this amazing gift to empower other women. What an extraordinary vehicle this has been to change the quality of my whole life. It has provided a freedom I had never dreamed of, more friends than I could imagine and joy I didn't know existed."

"I love Passion Parties! In a very short amount of time, Passion Parties has allowed me to live the fulfilling life many women dream of — staying home with my four children, working when I want, traveling often, meeting lifelong friends, and making big money! You can too. Passion Parties rocks!"

Brooke Reinertsen - Executive Director • Car Bonus Achiever • Million Dollar Club

"When I attended my first Passion Party, I knew I had found the career path I needed to take. Since beginning this adventure, my Passion business has grown steadily each year. I've been able to say 'so long!' to rigid schedules and hello to excitement, fun and financial freedom. Sharing the gift of Passion Parties with others allows me to pay that gift forward. You too have a choice to live the life you dreamed of. I'm so grateful for the opportunity which was mine to choose and today it's yours!"

Mara Singh - Executive Director • Car Bonus Achiever • Million Dollar Club

"I wish I could tell you that I am something out of the ordinary. I started Passion Parties for the fun and social aspect while my husband was overseas on military duty. With four children at home, this average mom definitely needed something that I could call my own! In a short time, I realized I was creating a real future for my family. I made the decision to work my business as a business, be home for my children, and earn a lucrative income that would now allow my husband the choice, after 20 years of military service, to pursue his goals!"
